Re: License Number 1322

Attached below is your license as required by Title 40 OS 1993 Section 141.6 and Rule 380:25-13-1 (Oklahoma Boiler and Pressure Vessel Safety Act 1982). Out of state firms should contact the Safety Standards Division At (405) 521-6100 prior to their first job in the state.

All boilers and pressure vessels covered under this Act, whether new or reinstalled are required to be inspected by an Oklahoma Department of Labor Inspector prior to operation. These requirements are covered in revised rules contained in Subchapter 3 of the Oklahoma Boiler and Pressure Vessel Safety Act.

Please contact this office or a state boiler inspector in your area prior to installing or reinstalling a boiler or pressure vessel.

Respectfully,

Licensing Division  
Oklahoma Department of Labor
